

Medical Marijuana: What Health Care Professionals Need to Know

Join us for a half-day conference open to all health care professionals. Hear from our keynote speaker, Dr. Lionel Marks de Chabris, on the usage and abuse of medical marijuana, participate in a group discussion about how marijuana affects rehabilitation, and learn about the legal implications of its use.

Saturday April 22, 2017
Georgian College, Alumni Hall
1 Georgian Drive, Barrie, On L4M 3X9
Cost \$50.00 (Includes conference materials, breakfast, and lunch)
